## Statement of why nominee would make a good office holder

am interested in being a part of General Convention because I feel that new perspectives bring something to the table. I think that one of the problems with the Episcopal Church is the lack of involvement of young adults and I want to change that by being involved in the church on a national level, and not just locally. I was on Diocesan Council for three years, and have been a youth group leader at St. Mark's. I also served on the planning team for the three provincial campus ministry gatherings for Province 8, the first of which was held here in Salt Lake in 2008, the second in Tempe, Arizona in 2009, and the third in San Francisco, California in 2010. I have also gone to the national campus ministry gathering in Estes Park, Colorado twice. I went to the Young Adult Festival at General Convention in 2009 and was an alternate for General Convention in 2012. I was a deputy for General Convention in 2015 and I have a love of the Episcopal Church's legislative process that has only grown with more participation.
