Statement of why nominee would make a good office holder

Nancy has been involved with the Episcopal Church for over 25 years. She's lived in multiple states over the years which has allowed her the opportunity to attend and be involved in several different parishes with a wide variety of diverse and distinct programs, activities, and missions. She has been a member of St. James, Midvale, for the past 15 years. During that time, she has been a member of many committees/programs, involved in organization of events, served on Vestry and as a Delegate to Diocesan Convention several times.

She is currently serving on the Diocesan Council and a member of the Executive Committee for Diocesan Council. She was honored to be a member of the Organizing Committee for the 2015 General Convention held last summer in Salt Lake City and specifically Co-Coordinator for Volunteers.

She feels called to serve the Church as a Deputy to General Convention because the ministry of policy and governance is so important. She has both the skills and the interest to participate in the legislative process to discern the will of God for the Church in our time and place. She enjoys working and learning from those who understand God and God's will differently and finding ways to constructively engage in conversation and ministry together that helps build up the Body of Christ.

Has the nominee has affirmed that he/she is willing to serve?	Yes
