Statement of why nominee would make a good office holder

General Convention 2015 was a very exciting time for me and it made me so aware of the vast amount of work that is done to fulfill our church's mission and commitment to ourselves, our growth and to the world beyond. I would be so honored to take part in this important and vital ministry and ensure our goals and dreams are realized.

I have been very active in our Diocese for the past 34 years. I have been elected to Standing Committee twice, served on the Commission on Ministry, been Secretary of Convention for 12 years, helped determine the model for the Diocesan Council, and served on the search/nominating committee for our current bishop. I have seen first hand how we nurture and support our companion diocese in Myitkyina and how we are so connected to the entire Anglican Communion.

I have held many, many church jobs at St. James and beyond!

I am retired from American Express where I worked as the Director of Risk Management and then later as Director of New Product Development. I have many organizational and business skills.

Attending General Convention as a delegate would be a wonderful opportunity to put my knowledge and skills to work for the benefit of our wider church, our diocese and our ministries.

Has the nominee has affirmed that he/she is willing to serve?	Yes
